Expanding K12 & Higher Education's Cybersecurity Pathways of Study

This event will bring together stakeholders from across Kansas to discuss the current state of Kansas's K12 and higher education cybersecurity pathways of study. It will also provide an opportunity to engage with national leaders in cybersecurity education including representative's from:

Also, learn how to incorporate these materials into your existing curriculum:

- **New NSA CAE K12 Cybersecurity Curriculum**
- **Interactive Cybersecurity Activities/Emates**
- **Cyber.org Program**

- **GenCyber Program Camps**
- **Free Faculty Development Workshops**
